What is the Child Dental Benefit Schedule? The Child Dental Benefits Schedule (CDBS) is a dental assistance program for eligible children aged 2 to 17 years. It provides cover of up to \$1000 over a two-year period for basic dental services, including examinations, X-rays, cleaning, fissure sealing, fillings, root canals, extractions and partial dentures. The rebate is available to children whose families receive relevant Australian Government payments. To find out if your child qualifies, visit the Department of Human Services website here . Check your child's eligibility Smile Solutions is pleased to treat families eligible for the CDBS If Medicare deems your child eligible, they will send you a letter confirming this. Please bring this letter to your appointment. Fees for treatment are payable on the day of the appointment and then your rebate is claimable (up to \$1,132) through Medicare. Depending on the procedure performed, there may be an out-of-pocket expense.
