Discover your options Our 60-minute complimentary Orthodontic Consultations give you the chance to discuss your smile concerns and goals with a highly experienced Treatment Consultant or Registered Dentist. Together, you'll explore the treatment options best suited to your case, along with the pricing and flexible payment plans available to help you achieve your new smile with our award-winning Specialist Orthodontists. Book an Appointment Please note this complimentary consultation appointment is a discussion only and does not include a check-up, x-rays, scans or any other clinical treatment. A \$50 refundable deposit is required to secure the appointment. What's involved in an orthodontic consultation? 1 Meet with a highly experienced treatment consultant Discuss your smile concerns, goals, and expectations so we can understand what a perfect smile means to you. 2 Explore the variety of treatment options available We'll discuss the treatment options that may help address your orthodontic concerns. We'll explain how each works for your individual needs, and provide guidance on pricing and available payment plan options. 3 Photos & scans to preview your new smile Photos and digital scans will be taken, so that your customised ClinCheck simulation can be created, giving you the opportunity to see your expected results before you start Please note this complimentary consultation appointment is a discussion only and does not include a check-up, x-rays, scans or any other clinical treatment. A \$50 refundable deposit is required to secure the appointment. Start your journey today Book an orthodontic consult Why choose Smile Solutions for your Invisalign® treatment? Treatment by an on-site registered specialist orthodontist At Smile Solutions your treatment will be carried out by one of our registered specialist orthodontists, not a general dentist. Specialist orthodontists complete a university postgraduate degree specialising in tooth and jaw correction and these specialists will assess your suitability for Invisalign and perform your treatment. Premium Invisalign® No Braces Aligners We only use premium Invisalign® aligners, no cheap alternative brands. Invisalign premium aligners are made from proprietary SmartTrack material, offering comfort, fitting snug around your teeth, and are virtually invisible. Massive list of inclusions Our Invisalign® packages include all necessary consultations, treatment delivered by a specialist orthodontist, a 3D iTero scan with a customised treatment plan, full clinical photographic records and study models, and all certified Invisalign aligners and attachments. At the end of treatment, you'll receive both upper and lower Vivera retainers to maintain your results, plus your choice of

complimentary Zoom! in-chair whitening or professional take home whitening kit for treatments paid in full or through a payment plan with a deposit of \$2,000 or more. Technologically advanced practice All our clinicians have access to the most superior technology available, including Dental Monitoring, iTero digital scanners, Digital Radiographs & CT Scans, as well as an in-house dental laboratory equipt with a 3D printer, to ensure careful diagnosis, treatment planning and delivery of care for our patients. Spectacular location During your Invisalign® treatment at Smile Solutions you will also enjoy some of the best views of Melbourne from the peak of the lovingly restored orthodontic tower in the centrally located in the iconic Manchester Unity Building.
