According to Telstra Business Group Managing Director Will Irving, these awards “not only recognise the brilliance of Australian businesses and help them reflect on their strategies and goals, and how they can achieve a better future, but also show the hard work and creative minds that go into keeping a small business running and fulfilling business owners’ passions and dreams”. “Smile Solutions has created genuine points of difference – they became the dental practice that has multiple specialists under one roof in the heritage-listed Manchester Unity Building ,” says Irving. “The Telstra Business Award Judges praised the business for its strong, year-on-year financial improvement over many years, its sustaining vision of growth and the founder’s staff retention mantra that leadership is about taking care of your clinicians and they in turn will take care of your customers.” After receiving the coveted award the Smile Solutions team could barely contain their excitement!
