She is an attentive, gentle practitioner with up-to-date clinical knowledge and a focus on minimally invasive dentistry. Working holistically with her specialist colleagues as part of an interdisciplinary team, Mal strives to provide ideal treatment outcomes for all patients. Mal has a keen interest in all types of restorative dentistry – particularly using state-of-the-art CAD/CAM CEREC technology to restore teeth and implants effectively and beautifully. She also has a penchant for aesthetic dental work and enjoys working with patients to achieve their ideal smile. Dr Maliha's Smiles All photos and videos are shared with full patient consent. No filters, AI alterations, or unrealistic lighting have been applied. Results, recovery times and potential risks vary for each individual and procedure. Further details about these procedures, including potential risks, can be found here . See more from Dr Maliha Siddiqui Treatment: Porcelain veneers.
