With a passion for surgical procedures and periodontal disease management, she pursued postgraduate studies in periodontics and dental implantology, earning her Doctor of Clinical Dentistry in Periodontology from Griffith University. During her academic journey, Peishan was active in the clinical teaching and supervision of undergraduate students and played a key role in the Academic Policy Steering Group at Griffith. Peishan has an interest in translational dental research and has presented her work at the International Association of Dental Research conference. Peishan is committed to improving patients' oral health by managing chronic periodontal and peri-implant diseases. She regularly collaborates with other dental professionals to achieve long-term results and maintenance. Her expertise includes non-surgical and surgical treatment of periodontitis and peri-implantitis, placement of dental implants, bone grafting, sinus lifts, gum grafting, crown lengthening, and periodontal regeneration. Beyond dentistry, Peishan enjoys painting, travelling, and immersing herself in Melbourne's fashion and cultural scenes.
