Silvia has found her niche in restorative dentistry and particularly enjoys working with the state-of-the-art CEREC system that is accessible only at technologically sophisticated practices. She has completed over 3500 CEREC restorations- arguably surpassing that of any other clinician in the country. CEREC enables long-term, aesthetically superior restorations to be completed in one short sitting for the patient. Silvia regularly participates in international conferences, ensuring her expertise remains at the forefront of CAD-CAM technology, allowing her stay up-to-date with the latest advancements in this field of dentistry.
