When it comes to your complex prosthodontics and implant surgery needs, we choose to provide you with optimal care from our team of board-registered specialist prosthodontists. What is prosthodontics? Prosthodontics is the field of dentistry that focuses on the restoration of teeth that require crowns, veneers, bridges, implants, dentures or any combination of these. The term prosthodontics means, literally, "tooth replacement". Our prosthodontists are experienced in a range of procedures, from single tooth management through to full arch rehabilitations and All-on-4 dental implants™. Prosthodontic Services Our specialist prosthodontists have vast experience in their field to comprehensively cater for all your complex crown, bridge, complete arch rehabilitation and implant requirements. To qualify as a registered specialist prosthodontist in Australia, practitioners must first have the same degree as a general dentist, with honours. They then study for a further three years for a Masters degree or equivalent specific training, making them eligible to apply for registration with the Dental Board of Australia as a specialist prosthodontist.
